Loss or Damage:
Any damage or loss of issued equipment, including accessories, results in the forfeit of the original deposit. If another iPad is issued to the student a new deposit is required.

Mobile Theft Management
You will be supplied with a subscription to a Mobile Theft Management Service. This plan includes the following services:

- Device registration within a national database
- Identity tags
- Theft prevention training
- Device discovery and return services

In some cases, your liability for a lost or stolen iPad can be limited to your original deposit. This is also a service of the Mobile Theft Management system. To qualify for reduced liability, the loss or theft of the property must be reported immediately to the Mansfield ISD Police Department at 817.299.6000; staff are available 24 hours per day seven days a week. A police report must be provided.

If the Superintendent or his designee, at his or her sole discretion, investigates and finds that there is substantial evidence that the iPad was damaged, lost, or stolen due to criminal misconduct, the liability limitation will not apply and you will be responsible for full reimbursement of the cost of the repair or replacement of the iPad. The decision of the Superintendent or his designee is final and non-

appealable.

Your continued use of the iPad for non-school purposes without our consent may also be considered unlawful appropriation of the District's property.

Storage
The iPad affords limited electronic storage space. If you are lacking a sufficient amount of storage space on the iPad device, you will be required to delete apps, music, photos, and so forth, in order to make necessary educational-related programs accessible. It is your responsibility to ensure that work is not lost due to mechanical failure, accidental deletion or re-imaging.

Internet Safety
There are many sites on the Internet that can be potentially dangerous to minors. Mansfield ISD makes every effort to block these sites both inside and outside of the district by routing Internet traffic through the District's content filter. You are in violation of district policy if you use software utilities or other means to access content blocked by school filters. Parents may want to further restrict their home access.
